

FALL 2026 日本クラブ

LET'S REVIVE JAPAN CLUB

Be part of the comeback.

The Japan Club is returning to LaGuardia this fall—and we need students to help shape what comes next.

★ STEP UP TO LEAD

We are looking for students to serve as **club officers**, including president and other leadership roles.

Officers should be available for in-person meetings on Wednesdays, 2:15–4:25 p.m., in Fall 2026.

New members are always welcome. Join meetings **in person** or connect **online through Discord** whenever you have time.

No leadership role or prior experience is required—bring your curiosity and ideas.
