## How to Make an Appointment for Modern Language Tutoring with *Calendly*

In light of the COVID-19 situation, the Modern Languages (ML) Program is currently offering tutoring services only online. This document will guide you how to make an appointment for online modern language tutoring using *Calendly*. In Fall 2020, the ML Program offers small-group or individual tutoring services in American Sign Language, Arabic, Chinese (Mandarin), French, Italian, Japanese, Korean, Portuguese, and Spanish. During the online tutoring, students enrolled in a language class can get help with homework, lab assignments, grammar, vocabulary, culture, presentations and quiz review.
