

# Elementary Arabic II

## REGISTER TODAY!

- Improve your understanding, speaking, writing, and reading. Topics include shopping at the market, describing your day in the present and past, questions, and colors.
- Explore the cultural side of the Arab world through activities such as analysis of popular Arabic music and TV, and presentations.
- Complete activities on your phones that go along the lesson in real time! Match the answers, solve crossword puzzles, and play trivia games! Some activities will include prizes. يا سلام!
- Connect with your classmates on our forums to answer questions and help one another.
